The screenshot shows the Tutanota account selection interface. At the top, there are 'Cancel' and 'Plan' buttons. Below them are two tabs: 'Personal' (selected) and 'Business'. A banner states: 'Book yearly & you'll get the second year for free!'. There are three main plan cards: 'Free' (€0), 'Revolutionary' (+12 months, €8), and 'Legend' (+12 months, €8). The 'Free' card has a note: 'Use Tutanota free of charge as long as you upgrade later. Only for personal use.' The 'Revolutionary' card has a note: 'Only one Free account is allowed per person. Free accounts may only be used for private communication. If you want to use Tutanota for your business or as a freelancer, please order a paid plan. Please also note that Free accounts get deleted if you do not log in for six months.' The 'Legend' card has a note: 'per month - paid yearly Includes taxes.' Below the cards are three columns of features. The first column lists: 'Fully encrypted, no tracking', '1 GB storage', and 'One calendar'. The second column lists: '15 extra email addresses', '3 custom domains', 'Support via email', 'Calendar sharing', 'Event invites', and 'Autoresponder'. The third column lists: '30 extra email addresses', '10 custom domains', 'Priority support', 'Calendar sharing', 'Event invites', and 'Autoresponder'. A modal dialog is open in the center, containing the text: 'Only one Free account is allowed per person. Free accounts may only be used for private communication. If you want to use Tutanota for your business or as a freelancer, please order a paid plan. Please also note that Free accounts get deleted if you do not log in for six months.' Below the text are two checkboxes: 'I do not own any other Free account.' and 'I will not use this account for business.' At the bottom of the modal are 'Cancel' and 'Ok' buttons.

The screenshot shows the Tutanota Plan selection interface. At the top, there are tabs for 'Personal' and 'Business'. Below them, three plan options are displayed: 'Free', 'Revolutionary', and 'Legend'. The 'Revolutionary' plan is highlighted with a red border and a red banner indicating '+12 months'. A modal dialog box is overlaid on the screen, displaying the following text:

Only one Free account is allowed per person. Free accounts may only be used for private communication. If you want to use Tutanota for your business or as a freelancer, please order a paid plan. Please also note that Free accounts get deleted if you do not log in for six months.

Below the text in the modal, there are two checkboxes:

- ☐ I do not own any other Free account.
- ☐ I will not use this account for business.

At the bottom of the modal, there are 'Cancel' and 'Ok' buttons. The background shows the details of the 'Free' plan, including its features and a 'Select' button.

The screenshot shows the Tutanota account creation process, specifically the 'Free' step. The interface includes a 'Back' button and a progress indicator with a checkmark and a circled '2'. The 'Email address' field is filled with 'testmail31234@tutanota.com'. Below this, a status message indicates 'Verifying email address...'. The 'Set password' section shows a password field with a strength indicator and a 'Password ok.' message. An 'Optional: Generate password' link is present. The 'Repeat password' section also shows a password field and a 'Password ok.' message. A warning message states: 'Please store this password in a secure place. We are not able to restore your password or to reset your account because all of your data is end-to-end encrypted.' The 'I have read and agree to the following documents:' section includes two checked checkboxes: 'General terms and conditions' and 'Privacy policy'. A third checkbox, 'I am at least 16 years old.', is also checked. A red 'Next' button is at the bottom.
